Thrace-LINQ, Inc.
2550 West Fifth North Street
Summerville, SC 29483

Thrace-LINQ Inc. acquires the Geotextiles & Agrotextiles division assets of the U.S. based LINQ Industrial Fabrics, Inc.

Thrace-LINQ Inc., a member of the Thrace Group announced today that they purchased the assets of the LINQ Industrial Fabrics, Inc. Geo & Agro division.

Thrace-LINQ Inc. will continue to maintain and strengthen the existing customer distribution of the former LINQ Industrial Fabrics, Inc. division. The acquisition will strengthen the position of the Thrace Group in the North American market and will create a wide range of new growth opportunities.

This acquisition positions the Thrace Group as a Global manufacturer of Geotextiles and Agrotextiles with production facilities in Greece, U.K. and U.S.A. This will enable the Thrace Group to serve efficiently the European, Middle East, Asia and the American markets.
